PRIVATE DANCES: We will have private dances on board with our own DJs (for the best dance selections), including mixers, prizes and other surprises for our group. We try to schedule a dance party daily, depending on the port times. **Dance hosts will be on board for the single ladies!**

You will be issued a name badge which will include our final dance schedule which will need to be worn at all our dance events.

We are a small percentage of the total number of passengers cruising. So we have REQUESTED all the space necessary for some workshops and social dance parties. BUT the cruise line must consider the needs of other groups and passengers on board, and cannot confirm all of our requests till just prior to sailing. A Final Dance Schedule will be provided approximately 30 days prior to sailing.

Dances & Workshops will be "Private Parties" only available to our group! You must book with Sundancer Cruises to participate in Workshops and Dances.

ABOUT YOUR INSTRUCTORS:

Maggie Francucci

Colorado

www.DanceConnectionColorado.com

Maggie has been a passionate teacher for over 20 years.

Prior to moving to Colorado in 1993, Maggie trained extensively with the Arthur Murray Dance franchise in California and with dance legends Buddy Schwimmer and Ron Montez. She has been an award-winning choreographer, performer, entertainer, and competitive ballroom dancer. However, Maggie's true passion is teaching. She is the owner of Dance Connection, a dance studio operating in Colorado since 1995.

Her students include: Beginner, intermediate, and advanced students. Dance lessons may include private, couple, semi-private, or group instruction. The goals of her students are many and varied - from social dancing, weddings, corporate events, and holiday parties, to exhibitions and competitions. She can help you reach your goals.

Lessons at Dance Connection are more reasonably priced than franchise dance studios. Private lessons are not shared with other students on the dance floor. Students may advance at their own pace and with their own goals, not on a pre-determined schedule or program. As current students have commented, "Maggie turns frustration and nervousness into improvement and joy . . . and she does so in a fun and encouraging manner."
