

Sundancer Cruises is primarily an organizer and coordinator of dance cruises, but we are a travel agency, as well. As travel agents we also book individual travel needs, cruises and vacation packages for non-dance groups.

As organizers and on-board coordinators for our dance cruises, we are here to assist our guests from pre-cruise planning, reservation booking, through the actual cruise itself. We are here to make your cruise vacation as easy and hassle-free as possible. Our professional, independent travel advice will help you get the most from your vacation. Our service will bring you back with us again and again.

Sundancer dance groups usually total approximately 100 dancers, limiting the group size so there is "dance" space for everyone. We offer dance workshops, presenting the opportunity to work with new instructors, and learn new dance skills. Also available is optional private dance instruction. The Sundancer private social dance parties will transform the cruise experience, as we provide a large collection of popular dance music, including swing, latin, ballroom and club dances. Our dance hosts ensure more dancing for our single dancers, too! There will be ample time for dancing, romancing, visiting and making lots of new friends.

In fact, roughly half of our Sundancer cruise customers have sailed with us again and again. Many appreciate the camaraderie of our groups, as they reunite with their dance friends for each new cruise. Many of our cruisers have made long lasting friendships and more. Ready to share new travels and adventures where your journeys are more enjoyed in the company of friends.

*So come meet some new friends and join our extended family of Sundancer cruisers.
Great destinations. Great Entertainment. Great Dancing. Great People!

*Whether your next trip is for business or pleasure, we hope you will keep us in mind for any of your travel needs.
Thank you for visiting our website.*
